

## Senise Peperoncino

### The Senise Peperoncino Concept

The project involves the development, design and construction of probably the world's most exclusive sports car "The Senise Peperoncino".

The concept, inspired by ideas from the Senise Group, is currently being elaborated by a team of leading designers.

The aspirations are set at the highest possible levels for this Senise Peperoncino limited edition.

Nothing will be spared to make this unique car the ultimate preference of the discerning connoisseur.

An authoritative and exceptional statement in
